

No longer a sitting duck

Give your staff the security they deserve with a pay window intercom system

Works in conjunction with all types of security screens. This pay window intercom system provides clear communication between staff and customer without compromising security.

Don't be a soft target any more... discourage hold ups and prevent physical harm to employees whilst still maintaining good customer relations by utilising this affordable and easy to use intercom system with a security screen.

Ideal for:

- Hospital drug dispensaries
- Banking services
- Service stations
- 24 hour car parks and service centres
- Government departments

Features include:

- Hearing aid compatible
- Loudspeaker and microphone for both public and operator
- Water and vandal resistant
- Safe 15v D/C power supply
